Allowable Subject Matter

1. Claims 1-6, 8-9 and 11-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: In response to remarks and claim amendments made in Applicant's Amendment filed on 01/11/2007, Applicant's argument is persuasive. Claims 1, 13 and 17 states the limitation "wherein at least one of the first shield and the second shield includes a recessed surface and an un-recessed surface, a surface of the strengthening member is at substantially the same height as the un-recessed surface when the strengthening member is attached to at least one of the first shield and second shield within the recessed surface." This limitation, in conjunction with the previously limitations of the claims 1, 13 and 17 was neither found to be disclosed in, nor suggested by the prior art. Amended claims have been considered and upon conclusion of a comprehensive search of the prior art, the office indicates that the claims, as amended, are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
